## Department of Career Katta

### Book on Demand Scheme

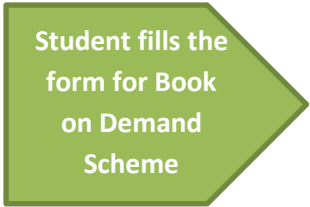

The **Book on Demand Scheme** is a student-centric initiative aimed at enhancing academic accessibility and promoting inclusive learning environments. Recognizing the diverse academic needs of students across disciplines, the scheme empowers learners to request specific textbooks, reference materials, or academic resources that may not currently be available in the college library. By doing so, it ensures that students have timely access to the materials required for their coursework, research, and competitive exam preparation.

Under this scheme, students can submit requests for academic books through a simple online or offline form available at the library. Each request is reviewed by the Career Katta Department to ensure its relevance and utility. Approved titles are promptly purchased for the students within 3 days.

The Book on Demand Scheme is particularly beneficial for students pursuing **Competitive Examination**, interdisciplinary studies, specialized courses, or new curriculum additions where standard library collections may be limited. It also supports the academic pursuits of marginalized or under-resourced students by minimizing the financial burden of purchasing expensive books.

Book on Demand scheme is completely run on the fund collected by the faculties for the welfare of the students. Overall, the Book on Demand Scheme is a significant step towards creating a more engaged, resource-rich, and student-focused academic environment.

**In session 2023-2024 total 11,786/- rupees fund has been utilized for the book purchased**
