**Road Safety Mission
Accident Free India
6 March 2022**

Date : 08 / 03 / 2022

Right to life and safety is a fundamental right of any citizen. This is guaranteed under the constitution of every country in the world including India. By the year 2020, road accidents would be the third biggest cause of deaths in the world, says the WHO report.

There is a need for a proper policy on road safety and its implementation and education, and the medical facilities should be of a very high quality in order to give first aid to the victims, especially on the highways. Road safety does not happen accidentally, but requires deliberate efforts by government and its many partners. Too often, road safety is treated as a transportation issue, not a public health issue, and road traffic injuries are called "accidents", though most could be prevented.

To Aid this a Defensive driving awareness program was attended by N.S.S Unit at Vasant Rao Deshpande Hall on 6th March 2022 which was organized by "Yuva Daud Manch" to create Road Safety Awareness among students.

In this program 12 volunteers represented the college. Before the program the online quiz on traffic rules & regulations organized for the students. A videos of defense driving through an online app showed by the organizer for the students as an eye opener. 12 volunteers and faculty members of the Service Scheme attended the program.

Self Defense Programme

Organizing a self-defense program on the occasion of International Women's Day is a powerful initiative to empower women and promote their safety and well-being. A certified self-defense instructors Miss Pallavi Khandale Alumini of our college specialize in teaching techniques suitable for women's safety. A self defense workshop was organized for girl students. Clearly outline the goals of the program, such as equipping women with practical self- defense skills, raising awareness about personal safety, and promoting confidence and empowerment. In this workshop a fundamental techniques like strikes, blocks, and escapes that are effective in real-life situations were demonstrated & also discuss strategies for recognizing and avoiding potentially dangerous situations. Educate participants about their legal rights regarding self- defense and protection against violence. Miss Shweta Uikey & team worked as a trainer.

By organizing a self-defense program on International Women's Day, not only promote women's safety but also contribute to their empowerment and resilience. It's a proactive step towards fostering a safer and more supportive community for women. Total 45 students were participated.

**DEPARTMENT OF ZOOLOGY
SOCIAL ACTIVITY
SESSION 2021-2022**

Date : 28, 04, 22

TREE PLANTATION ACTIVITY FOR ANIMAL CONSERVATION

Objectives:

1. To create awareness about conservation of birds and arboreal animals among students.
2. To create awareness about the Importance of animals in our environment and their importance in food chain.
3. To create awareness about protecting our environment by planting trees.

Actual program:

Department of Zoology has organized social activity "Tree plantation animals" in which HOD of the Department, faculty members B.Sc. and M.Sc. have participated. Students of B.Sc. Sem VI and MSc. Sem II (Zoology) have planted plants of Neem, Tulsi and other plants in different regions of slum area, behind Bollywood center, Nagpur on 26th April 2022 and explain the people of about the benefits of plants in our environment. In this activity Dr D R. Saxena, Head of the Department of Zoology accompanied them and also encourage the people for planting the trees to protect environment. Plants provide more oxygen and help to control air pollution and shelter of various arboreal animals like birds, insects and caterpillars. Total 15 people are benefitted through this plant distribution activity.

Outcomes:

- Students actively participated in this activity and they planted many plants which is beneficial for the society.
- The planted plants will provide the shelter for the arboreal animals including birds, insects and caterpillars etc.

Beneficiaries: 60 students of B.Sc. and M.Sc. (Zoology)
